July 16, 2020

RBC Church Family,

In light of Governor Ivey's statewide mask mandate that goes into effect today, Thursday July 16th, we ask that everyone participating in person in the Sunday morning worship gathering, as well as any other on-site meetings, comply with this new state guideline. Specifically, we are asking that you wear a mask upon entering the building and at all times inside of the building, until you exit. Though we are not legally required to adhere to the mandate, our staff and leadership feel that it is something we as a congregation ought to do during this time.

We recognize that many of you have already been doing this, but for others this will be a change. This will be a change for our staff and worship team as well. However, we too will all be masked when not on the stage. If you should arrive at the church and have forgotten your mask at home, we will have a mask available for you in the foyer.

Our combined efforts in this will help us sustain our current programming and help expedite the time in which we are able to resume our other on campus programs beyond the Sunday morning worship service.

We aim to communicate further about adjustments to Fall programming, like Sunday School and Wednesday Evening Activities, in the coming week.

If you have any questions or specific needs, please contact me.

Thanks,

Chase McLain
Associate Pastor
