RBC Family,

As we take our next steps in resuming on campus discipleship programs on Sunday, September 20<sup>th</sup> we want to make you aware of continued and new modifications that will allow us to safely conduct Sunday School for children, youth, and adults, as well as additional children's programs during the worship hour.

For information specific to children's programs, please follow this [link](#).

At this time, we ask that you continue to wear masks at all times when in the building. We are respacing many of our classrooms to allow for as much distancing as possible. However, spaces will still be tight at times, especially in high traffic areas. We also ask that you do not congregate in the hallways but reserve times of fellowship and conversation for inside the classroom and outside if possible. When you enter your classroom, please move as far forward in the classroom as possible to minimize exposure to others.

The downstairs nursery entrance will be reserved for families with children to enter and exit. We ask adults without children to use the upstairs sanctuary entrance. To accommodate those who have utilized the handicap and limited mobility parking spaces near the nursery entrance we ask that, if you are able, park in the lower lots to allow for our members and guests with limited mobility ease of access to the sidewalk and ramp.

We will continue to provide Sunday School via Zoom on Sunday morning for those who are unable to rejoin in person at this time. Additionally, we will continue to live stream the worship service via Facebook and our website at 10:30.

We are grateful for your commitment to RBC and for your patience and flexibility as we navigate this unique season together.
